- Chemistry - A
- Welsh Baccalaureate - B

TECHNICAL SKILLS

- C#
- Unity
- Source Control (GitHub)
- Project Management (Trello)

SOFT SKILLS

- Leadership
- Communication
- Teamwork
- Time Management

PROFILE

I am a recent graduate with a Upper Second-Class Honours in Computer Games Programming from the University of Gloucestershire.

Whilst at University I spent 3 years developing my programming knowledge in multiple languages, including C#, C++ and Python. I also developed a range of games and applications within Game Engines. I aspire to become a C# programmer who works within Game Engines and also externally to write the scripts.

WORK HISTORY

J D Wetherspoon PLC

2023 - PRESENT

Kitchen Associate

Currently working at this job my main responsibilities are:

- Food Preparation
- Food Hygiene
- Unloading Deliveries
- Pot Washing
- Gantry Co-ordinating
- New Staff Training

This experience has greatly improved my communication skills and allowed me to improve my leadership and teamwork. I have also gained valuable knowledge in teaching and ensuring that my colleges have the correct training to complete their job.

Approved Cleaning Services

2021 - 2023

Cleaner

During this employment I gained some valuable skills. Being a cleaner gave me a good eye for detail and the ability to manage my time while working independently. It also gave me the vital skill of dedication and showed me how commitment is key to any job role. Whilst at this cleaning job I learnt how to clean commercially and to a standard that customers expect.

VOLUNTARY WORK

Shaw Trust Charity Shop

MAY - SEP 2019

Shop Assistant

During my voluntary work at this charity shop I had many responsibilities these included shop floor and stock room. During my shop floor role, I learned the importance of good customer service and the value of interpersonal skills. Whilst working in the stock room I gained a good understanding of organisation of stock within a confined space and developed my personal time management.
